

ABU METANJI TONY STEVE

FRONTEND DEVELOPER AND UI/UX DESIGNER

EXPERIENCE

Front-end Developer

Nexinch - Bamenda

07/2022 - 2023

I played a role in developing and implementing a cutting-edge, user-friendly website, elevating the overall user experience. By incorporating intuitive UI/UX elements and optimizing performance, the website achieved remarkable results. The project received widespread recognition from stakeholders and users, solidifying my reputation as a skilled frontend developer focused on delivering innovative solutions that drive user satisfaction.

UI/UX Designer

Nexinch - Bamenda

07/2021 - Present

Participated in the design a mobile application, resulting in a more intuitive user interface and positive user feedback. Designed websites and many more

Graphic Designer

Nexinch - Bamenda

07/2021 - Present
